

MID SOUTH BIOMEDICAL ASSOCIATION ANNOUNCES

The Mid South Biomedical Association (MSBA), formerly known as the Tennessee Biomedical Instrumentation Association (TBIA), has broadened its plans and goals to a new profound development with its First Annual Symposium and Trade Show. Bringing career and education opportunities to all that are interested, service technicians, educators, students, and listeners that want to utilize career opportunities in the Medical work force market are welcome. Therefore, let's come to collaborate on what it is to learn from one another, including our most challenging obstacles and/or accomplished experiences, by joining side by side in this years **2008, Symposium and Trade Show** held at the **Agricenter Show Place Arena** in **Memphis, TN** on **May 2, 3, & 4**. This show will feature 35 Vendors from various companies that will exhibit new technologies, and services that the Medical Field brings to their everyday equipment needs.

The MSBA is committed and dedicated to bring Medical Equipment Manufactures, Sales and Service Technicians, and our Third Party Vendors to teach classes to our Biomedical/Clinical Engineering Personnel, Educators, Students, and Listeners on the following: Diagnostic Ultrasound, General X-Ray, General Biomed Defibrillator Class, and Networking Topics as it relates to Medical Equipment. Also, teaching Classes on Basic Customer Service Skills and many more to numerous too mention in this page for this years Symposium and Trade Show. So come join, teach, exhibit, and educate each other and ourselves on Friday afternoon, either all day Saturday or Sunday on everyday Medical Equipment Needs.

Cost for Training: 3 Day Classes \$60.00, 2 Day Classes \$50.00, and 1 Day Class \$40.00. This also includes New Membership Fees (if not a member of the Association), and Lunches for Saturday & Sunday admission(s) to Trade Show.

For class room and exhibit/vendor information, please contact Mike McCoy at 731-541-6011, or you may visit our website at www.midsouthbiomed.com (Updates to class schedules are subject to change without notice.)
